

## Labs 8

**Due: Mar 31, 2014 (Monday) 23:59**

### Objectives:

- Practice with client-side validation

### Specifications:

1. Use your lab6.html. (Suppose you have lab7 there too)
2. Practice with validation on your different fields, such as
  - Text box
  - Text area
  - Checkbox
  - Radio button
  - Drop down menu
  - Menu with multiple selection
  - Etc.
3. You set the rules for your situation. Provide the rules on the page (or through links) so that I can test.

### Submission:

- No explicit submission, no email, no print out...
- Leave it on zenit account, I will check it after the due date.

### Important:

Make sure everything you include on your page has no copyright issue, i.e., either you have the copyright or you are allowed to use it on your page.
