

## Labs 6

**Due: Mar 16, 2014 (Sunday) 23:59**

### Objectives:

- Practice with forms

### Specifications:

1. Create a page lab6.html, and link it to your website (which may from Assignment 2). Again, you are expected to have a website which may link all your possible work. You can modify and use your existing work to your assignment 2.
2. On lab6.html, you create one or more forms (no nested forms) to practice the elements we have discussed so far, e.g.,
  - Text box
  - Password
  - File
  - Radio button
  - Check box
  - Submit
  - Reset
3. And some attributes for each elements, such as:
  - Size of the text box
  - Set some default values, for text box, radio buttons, etc.
  - Set readonly attribute

### Submission:

- No explicit submission, no email, no print out...
- Leave it on zenit account, I will check it after the due date.

### Important:

Make sure everything you include on your page has no copyright issue, i.e., either you have the copyright or you are allowed to use it on your page.
