

BONUS (Optional) Labs 10

Due: April 17, 2014 (Thursday) 23:59

Objectives:

- Practice with JavaScript programming on HTML5 <canvas>.

Specifications:

1. Create a new page (lab10.html) and place it under your public_html/labs directory if that's the way you organize your work. Or somewhere proper for you.
2. Make it accessible (e.g., a link to lab10.html) from your homepage (e.g., from A2).
 - Practice with drawing on <canvas> using JavaScript.
 - You can design a picture with some shapes, fill with colors, write (fill or just stroke) some text, put some images, etc.

You decide the topic and content.

Submission:

- No explicit submission, no email, no print out...
- Leave it on zenit account, I will check it after the due date.

Important:

Make sure everything you include on your page has no copyright issue, i.e., either you have the copyright or you are allowed to use it on your page.

Grading:

This is an optional lab with 1% for bonus.
